PHS Student & Parent Update

We have observed that students get upset when balloons get popped and lights get broken, which then gets you angry at each other and defeats the purpose of the week.

Your assistance in helping us achieve the balance between a productive educational week and a uniting of the school community is greatly appreciated!

Peer Tutoring!

Welcome to Homecoming Week –

Some of the events these week come with fees. If you don't have the funds for this, please let one of us (a teacher, a principal, Mr. Par, Mrs. Cahoon or Mrs. Fairchild). **It's more important to have you participate!!!**

HOMECOMING WEEK 09/29-10/05

1:00pm-5:00pm Locker Decorating @ PHS *Please see the hall decorating guidelines*

DECORATING GUIDELINES FOR HOMECOMING

1. Our ceiling tiles are easily scratched. Please do not hang or adhere anything from the ceiling in the hallways. You can "lower" the ceiling by hanging decorations from the lockers.
2. To keep our school looking nice, **use painters tape only** on lockers, windows, walls, etc. Avoid double stick tape and gummy adhesives.
3. For safety purposes, please **leave entry way doors clear** by not covering with paper. Window markers are allowed on windows and glass doors.
4. Please decorate with signs, streamers, banners, etc. Confetti, Christmas lights, decorator lights, balloons, paint and glitter are to be avoided due to the danger of broken glass and tedious clean up.

Why the guidelines?

Homecoming Week is a time to celebrate and build school spirit. In our experience, hall decorations can become overly distracting as the week progresses.

Attention Park High Senior Students and Families:

College Application Day at Park High. Seniors have the opportunity to complete and file one Montana 2 or 4-year college application without paying any application fees on that day. Application fees are either waived (the student pays nothing to apply) or deferred (application fee is added on to financial aid package). Students should complete the College Application Worksheet they will receive on Thursday, 9/26, during their Senior Guidance Lesson. **We expect that students and their families may need to work together in gathering the necessary info.**

Principals' Advisory during both lunches

Principals' Advisory is a place to share concerns and thoughts about school life. Discussions between the principals and students include topics such as ways to improve the school community, suggestions, new initiatives, ect. The group, meets on Wednesdays during both lunches in the Main Conference Room. We seek a diverse group of students. You earn community service hours and we have great snacks! Bring your lunch! **Park County Health Department Immunization Clinic
at PHS. Thursday, October 3rd**

Remember flu season last year?? The best way to
prevent getting the seasonal flu is to get vaccinated
every year. The health department also offers HPV
and Meningococcal (MCV) vaccines. If you would like
your child to be vaccinated for the flu, HPV, and/or
MCV please complete the attached consent and
return to the school nurse, Holly Sienkiewicz. Email it
to: holly.sienkiewicz@livingston.k12.mt.us or drop it
off in the front office before October 3rd. Consents
also available in the front office. We will call your
child down to the office on October 3rd to get the
requested immunization(s).
