  - B. Selecting and arranging furniture
  - C. Creating and presenting your design
  
7. Applying Design Principles
  - A. Kitchens
  - B. Baths and laundry areas
  - C. Arranging space for storage

**Grading**

Grades will be based on tests, quizzes, assignments, labs, and participation. Your participation and involvement will enhance the learning that takes place.

**Semester grades** – A semester test will be given at the end of the eighteen weeks, and will count 20% toward your semester grade. The remaining 80% will be the quarter grades.

**Daily Participation** –The success of a student in this class will depend largely on participation. This includes participation and behavior during classroom discussion, lectures, and labs.

**Homework** – handouts and worksheets may require some additional time to complete. **Five points will be deducted each day for late assignments and a zero will be given after three days.**
