Spanish4

Sr. McGrath

2015-2016

Goal for the class:

The goal for Spanish 4 is to continue to build your vocabulary, review verb tenses and learn the few remaining grammatical concepts. We will be transitioning into much more advanced material, which will better prepare you for a college style language setting. This course will be conducted solely in the target language, so be prepared to check your English at the door. Signing up for Spanish 4 indicates to me that you are prepared and willing to develop your speaking and listening skills. Using English inappropriately will result in a dire loss of participation points which, as you know will be devastating towards your grade. I will be extremely patient with all of you in developing your speaking abilities but an aggressive effort to improve your communication skills must be apparent.

Grading Scale:

A – 90 to 100

B – 80 to 89

C – 70 to 79

D – 60 to 69

F – Below 59

Quarter Grade Computation:

20%Participation (Or in other words, your speaking grade)

This portion of your grade is extremely important. Each student will be required to accumulate 25 participation points each quarter. These points will be earned but can also be taken away. Extra participation points will be converted into extra credit at the end of each quarter.

15%Oral and Listening

15%Homework

20%Quizzes and Graded Work

30%Tests and Projects

40%Second Quarter

20%Semester Exam

Materials you will need:

Writing utensil

Paper

3-ring binder or folder to keep track of all supplemental handouts and materials you will be given throughout the entire year.

A note on homework:

Unless you were absent which was excused or because of some extremely bizarre circumstances, homework is due immediately following the day it was assigned. I won't accept late homework because you left it in your locker, you brought the wrong notebook or you had more important things to do.

Homework will be consistent but never overwhelming. I don't give homework on Fridays.

Make-up work:

We all lead busy lives and I realize absences occur. I am more than happy to allow you to make up work which you have missed due to an absence which has been excused, however..... It is your responsibility to enquire about work you have missed. I may remind you but seldom more than once. Zeros will be devastating to your grade so please make an effort to finish all assignments.
